

## INSPECT FARM AS SITE FOR SCHOOL

PETERSBURG, VA., May 15.—Ellerslie, the well-known Dunlop farm at Dunlop Station, on the Atlantic Coast Line Railway, in Chesterfield county, about two miles from Petersburg, was today inspected by the board of visitors of the recently established State School for Colored Deaf, Dumb and Blind Children, as a prospective site for that institution, the following members of the board coming over from Richmond to Dunlop Station on the Coast Line at 12 o'clock: John L. Williams, president; Harry R. Houston, of Hampton; Guilford D. Eurrill, of Staunton; and A. C. Walker, of Wakeforest.

They were met by Mayor William M. Jones, Augustus Wright, Bartlett Roper, Jr., and secretary Edwin L. Quarles, of the Petersburg Chamber of Commerce; State Senator J. B. Watkins, of Middleburg, Va.; W. E. Pulliam, of Manchester, and James E. Cuthbert, and Henry Turner, of Pyle & Co., of Petersburg, the real estate agents in charge of Ellerslie. After a tour of the farm and an inspection of the big residence and the many smaller buildings on the lawn, the party came in carriages to Petersburg, where the visitors were entertained by the Chamber of Commerce at dinner at the Chesterfield Hotel, returning to Richmond about 4:30 this afternoon.

State Senator Charles T. Lassiter, who was a lieutenant in the A. P. Hill Rifles, one of the two Petersburg companies which volunteered for the Spanish-American War, has inaugurated a movement to dedicate the proposed viaduct to be erected across Old Town Creek, in Dinwiddie county, about one mile from Petersburg, during the improvement of the road from Petersburg to Dinwiddie Courthouse. To the following young soldiers of that company, who died in discharge of duty during the Spanish-American War: Corporal J. Crawford Smith, Privates Joseph C. Spotswood, Frederick Abel, John R. Henry, Kelly Giles and Thomas L. Hall. The A. P. Hill Rifles was a company of the Fourth Virginia Infantry, United States Volunteers. Dinwiddie county has undertaken to improve a portion of the road, and the viaduct will be constructed by the erection of a granite arch bridge filled in with dirt on each side.

A telegram from Congressman Francis Rives Lassiter to E. M. Clement, editor of the Petersburg Progress, announces that the "public buildings bill" (the \$25,000 appropriation for the Petersburg post-office) "This was the amount necessary, in addition to the \$50,000 previously appropriated for the enlargement and improvement of the Federal building containing the post-office."

Post C. Travelers' Protective Association, of this city, at a special meeting to-night, instructed the delegates to the Virginia division convention at Roanoke, on May 22d-23d, to present the names of George W. Harrison and R. W. Price as its representatives at the national convention of the association at Milwaukee in June.

### PUT UP OWN CANDIDATE.

Good Government Forces Make Straight Fight for Congress.

NORFOLK, VA., May 15.—Chairman C. H. Bull, of the Good Government faction of the local Democratic party, declared that his party, confident that they have 2,500 votes in Norfolk city, will name a candidate for Congress independent of the four already in the race.

Mr. Bull is confident that the man his faction will name is secure the nomination of the Democratic party. While declining to mention names, he declares that the candidate will be one of the strongest ever offered for the honor in this district. The feeling here is that should the Good Government faction nominate the candidate for Congress, it will be a blow to the administration to endorse one of the candidates running, forcing others to retire from the race. It is believed that Cabell will secure the nomination, but the race will be between Cabell, Maynard and the unknown.

### LICENSE DENIED GHOST CLUB.

Judge Hancock Refuses to Permit Club to Dispense Liquors.

NORFOLK, VA., May 15.—Judge Alan R. Hancock today denied the application of the Ghost Club, on Olney Road, and one of the leading social organizations of the city, for a club liquor license. The officers of the club were taken by surprise, having enjoyed the privilege for several years. The denial was on the ground that the club is situated in a residential district where retail liquor stores are not licensed, and where they are barred by the local option restrictions passed by the Council in the annexation of the ward. The decision followed the ruling of Judge Schoot, in the case of the Deep Run Hunt Club.

# Ever Feel This Way?

THE FOLLOWING SYMPTOMS, described by ladies who have been cured by Cardui, may be just LIKE YOUR OWN CASE.

If so, take CARDUI, for YOUR female troubles. It will help you.

### ACHED ALL OVER

Two years ago, my health was very bad. I suffered untold misery and ached all over every month. At times I wished for death, to end my suffering. At last I decided to try Wine of Cardui. Twelve bottles of this wonderful medicine stopped my suffering, and made my life worth living.

MRS. MATTIE CAMPBELL, Ratcliff, Texas.

### FEMALE CATARRH

I suffered for nine (9) years with female catarrh, which caused many disagreeable symptoms. At last I decided to abandon other medicines and try Wine of Cardui, and have been improving ever since. Now I am almost as strong as I ever was and ask for no one to help me with my housework.

CORDE ABERNATHY, Gaffney, S. C.

### MORNING SICKNESS

I cannot say enough in praise of Cardui. It is a blessing to suffering women. During pregnancy, I vomited nearly all I ate and my limbs were swollen, so I could not walk. A week after taking Cardui, the swelling was nearly all gone, and though I have had 12 children, the baby that came after taking Cardui, was the easiest birth and the fattest baby I ever had.

MRS. ALICE COTTEN, Wheeling, W. Va.

### ALL RUN DOWN

About five years ago, I was all run down, having been afflicted with female trouble for several years. The doctor said I would have to have an operation, but I began to take Cardui, and before I had taken half a bottle I felt like a different woman. Whenever I feel over-worked or run-down, a few doses of Cardui make me feel better.

MRS. A. BRYNER, Cameron, Ill.

### SUCH DIZZY SPELLS

I suffered from female trouble every month, ever since I was 16. I had such dizzy spells and backache that I would have to go to bed, and was so weak I could not get around for days at a time. Ever since I began to take Cardui, the dizzy spells and other female troubles stopped, and now I am well and happy.

MRS. M. E. ALLRED, Hartford, Wash.

### SAVED FROM OPERATION

The first three years I was married was the most wretched part of my life. I suffered everything with female troubles, had such bearing down pains I could hardly walk across the room, and was in awful misery. I tried several medicines without relief, and the doctor said I would have to have an operation, but my husband said no, and so I began to take Cardui. After the first three bottles I felt like another person, slept better, didn't have to be operated on and now we have a fine baby girl.

MRS. MABEL RAY, Wilmore, Kas.

### NEARLY CRAMPED TO DEATH

For nine years, I suffered with severe female disorders, was irregular, my back and side would almost kill me and every month I nearly cramped to death. I tried everything, without relief, and lost all hope, till one day I took Cardui, which toned me up, so I can do my housework with all ease and now enjoy good health.

SARAH J. HOSKINS, Cary, Ky.

### DIZZY, DULL HEADACHE

I am 60 years old, and had female trouble, pains low down in back, a dizzy, dull headache, palpitation of the heart, and was so weak I could only sit up a little while at a time. I had one of our best physicians, but saw I was going down, rapidly, so decided to try Cardui. Before I had finished the first bottle I felt much improved and now that I have taken 10 bottles I am up, able to do my work.

MRS. E. BEATY, Lusk, Tex.

### A TOTAL WRECK

Cardui is certainly the best and most wonderful tonic there is, to build up shattered nerves and for all other female troubles. I have used it for myself and daughters. Before taking it, I was a total wreck, but after I began improved from the first and I know that it saved my life.

MRS. EVELINE MCGREW, Austin, Tex.

### ALMOST A SKELETON

I was very weak from female disorders and was almost a skeleton. It tired me to walk just a little. Now, I do all the sewing, cooking, washing, ironing and general housework, for a family of nine (9), and haven't been in bed a single day, for over two (2) years. I think Cardui is the greatest remedy on earth.

MRS. LULA WALDEN, Gramling, S. C.

### PAINS IN SIDE

Before I began to take Cardui, I was so weak and nervous I could hardly be up and could hardly bear the noise of my children. I had such a pain in my side, it hurt me every breath. I also had a hacking cough, could not eat well, fell off a great deal and lay awake at nights or else had scary dreams. Inside of one week, after taking Cardui, the pain had left my side and in three weeks I felt like another person. Now I feel right well.

MRS. DORA STAUFFER, Wily, Va.

### SAVED HER LIFE

I take great pleasure in telling you how Cardui benefited me, for I know it saved my life. I was troubled with flooding spells and other female troubles for years, and was so weak I could not walk alone across the room. I had not taken one bottle of Cardui before I was greatly improved and when I had taken two bottles, I felt like a new woman.

MRS. RUTH WILSON, Travelers Rest, S. C.

### COULD NOT SLEEP

You know how sick I was, when I first wrote you for advice and you told me to take Cardui. I had had fainting spells, could not eat, was weak and thin and had such awful pains all over. I was so nervous, I could not go to sleep at night till about four o'clock in the morning. After taking 11 bottles of Wine of Cardui I am now well and strong; can eat anything, sleep all night, can do all my housework and feel better than in years.

MRS. F. G. PETERSON, Hershey, Neb.

### FEMALE PAINS

I did not know that anything could stop female pains, from which I had suffered for two years, until I tried your wonderful medicine, Wine of Cardui. I had other female troubles besides, but was cured in a little while. Cardui is a blessing to womankind. I recommend it to all my friends.

GEETRUDE GATLIN, Timberville, Miss.

### SO IRREGULAR

I was so irregular and suffered from other female troubles, but I took three bottles of Cardui and it has done me more good than any medicine I ever took in my life. Now I am perfectly regular and on the way to health again.

MRS. MARY FREEMAN, Paint Lick, Ky.

### WORKS LIKE A CHARM

I recommend Cardui to all my lady friends. I think it is the best medicine for female troubles. It works like a charm. I had suffered untold misery for 20 years, with various female troubles. I took all kinds of medicines, but nothing did me as much good as Wine of Cardui. Now I am regular, suffer no pain and am better in every way.

MRS. MATTIE CHRISTOPHER, Atlanta, Ga.

### EASY CONFINEMENT

I cannot find words to express my gratitude to Wine of Cardui, for helping me in my last confinement. Formerly I suffered all day and night, but this last one was a fine big baby girl; she weighed 9 1-2 lbs. at birth and I was sick only 45 minutes. I never felt better in my life than I do now.

MRS. IRA GRAY, Budd, Ill.

### NUMB SPELLS

I suffered with numb fainting spells ever since I was sixteen. I would lie, sometimes all day, like I was dead, and could not talk or see. They spent hundreds of dollars on doctors, but nothing helped me. At last, about 4 years ago, I began to take Cardui, and since then I have never had any more of those spells. I took five bottles of Cardui, and can truthfully say that it cured me.

MRS. M. JOHNSON, Tampa, Fla.

## SECOND LOT SENT FROM THE SEVENTH

[Special to The Times-Dispatch.]

WINCHESTER, VA., May 15.—A contesting Republican delegation will be sent from the Seventh Virginia Congressional District as the result of a convention held in this city to-day, declaring that they had "no political fences to keep up, desired no public office, but were opposed to the pernicious political activity of Federal office-holders in Virginia."

The convention selected as contesting delegates to the Chicago convention Colonel R. B. Murphy, of Warren, and Charles Hammer, of Rockingham, with G. P. Innes, of Albemarle, and Frederick Muman, of Rockingham, alternates, the two latter being negroes.

B. H. Gruver, of Warren county, was selected presidential elector for the Seventh District. J. S. Fravel, of Harrisonburg, presided at the meeting. It is understood that the delegates are anti-Taft, although they were unopposed. The local Republican organization favorable to Taft took no part in the convention.

The political pot was set boiling here to-night, when, at a large mass meeting of citizens, held in Courthouse Hall, a full Councilman's ticket was put in the field by forces allied with the temperance movement. The nominees are pledged to the support of temperance principles, and is a result of the recent local option election in this city. The regular Democratic ticket will be named on the 19th instant.

FROM DANIEL'S PRECINCT. Interest in the Primary For To-Day. For Eleventh of Delegates.

[Special to The Times-Dispatch.] LYNCHBURG, VA., May 15.—To-morrow's primary at West Lynchburg Precinct, a suburban precinct in Campbell county, for the election of a delegate to the State Democratic Convention, promises to be a hotly contested fight. Ex-State Senator A. F. Thomas and Squire J. W. Fortson are the candidates. It is generally accepted that Fortson will be supported by Senator Daniel's friends, this being his polling place.

The remainder of the county will elect delegates in precinct mass-meetings. The calling of the primary in this precinct by Senator Thomas's friends will result in Major Daniel not being time to tie the convention from his county.

The flames had gained such headway before they were discovered that the family barely had time to escape. Mr. and Mrs. Via and their adopted daughter descended from an upper story by way of a ladder. The building was placed against the burning building by Mr. W. N. Via's brother, Mr. A. White Via, who first discovered the fire.

The building was valued at \$3,500, and was insured for only \$2,000. Practically all of the furniture on the lower floor was saved by neighbors.
